Re: Morales v. Healthcare Revenue Recovery Group, LLC  
Case No. 2:15-cv-08401-EP-JBC

Dear Judge Clark:

On October 6, 2022, you Honor issued an order (ECF No. 182) granting Plaintiff's request for an extension of time to file his motion for class certification to November 7, 2022. As a result, Defendant's opposition to class certification is currently due on November 24, 2022, which is Thanksgiving Day. Plaintiff's opposition to Defendant's summary judgment is also due that day (EDF No. 183). All papers, including replies, are to be filed simultaneously on December 5, 2022.

Given the Thanksgiving holiday, Defendant requests the scheduling order for briefing on class certification and summary judgment be modified as follows:

- The parties' opposition briefs shall be exchanged by **December 7, 2022**.
- The parties' reply briefs shall be exchanged by **December 16, 2022**.
- No later than **December 19, 2022**, each moving party, for their respective motion, shall simultaneously file all papers, the moving brief, under a new notice of motion, the opposition, and the reply under three separate docket entries.

Respectfully submitted,

**MARKS, O'NEILL, O'BRIEN,  
DOHERTY & KELLY, P.C.**
